Justin Brown, AIA, LEED AP and Christopher Kroner, AIA founders of MASS Design Group will present their philosophy and world projects. The 2022 AIA National Firm of the Year's mission is to research, build, and advocate for architecture that promotes justice and human dignity. The firm was founded on the understanding that architecture's influence reaches beyond individual buildings. MASS (Model of Architecture Serving Society) believes that architecture has a critical role to play in supporting communities to confront history, shape new narratives, collectively heal and project new possibilities for the future.
