Virtual Two Day Conference

Thursday, September 12th & Friday, September 20th

Join AIA-NJ Committee on the Environment in shaping the future of architecture and sustainability by becoming a sponsor of the AIA NJ East Coast Green Virtual Conference. This premier event gathers industry leaders, architects, and innovators to explore cutting-edge solutions and sustainable practices. Sponsorship offers unparalleled visibility, positioning your brand as a key player in the sustainability movement. Choose from our tailored sponsorship opportunities to maximize your impact:

Sponsorship Opportunities

Opening Session Sponsor

\$1500 (1 Available)

As the Opening Session Sponsor, your brand will take the spotlight as the conference begins. With a two-minute intro before the opening session and recognition in related communications, your company will be showcased as a key supporter of sustainable architecture from the very start of the event. Includes 5 full conference registrations.

General Conference Sponsor

\$400

As a General Conference Sponsor, your brand will gain broad exposure across all conference materials, with your logo included in promotional emails, and social media and acknowledged verbally throughout the virtual conference.

Individual Session Sponsor

\$750

As a Session Sponsor, your brand will be directly associated with specific conference sessions, giving you targeted visibility among professionals interested in your chosen topic. Your logo will be prominently featured during the sponsored session, and you'll receive acknowledgment in all session-related communications, ensuring your brand reaches a focused audience with a vested interest in sustainable architecture.

Friend of the Conference Sponsor

\$200

As a Friend of the Conference Sponsor, your logo will be included in key marketing materials, providing consistent visibility and aligning your brand with the event's commitment to sustainable architecture.

Don't miss the chance to connect with 100+ architects!

Support the future of sustainable architecture while enhancing your brand's presence in the industry. Contact us to learn more about how you can be part of this exciting event.
